Sir,

I have the honour to state that fees are now being on the marginally noted items at the rates specified against them at the Terakanambi market in the Gundalpet Taluk. In view of the fact that a large number of cattle, sheep and goats are brought to the market for sale, the proposal of the Taluk Board to levy fees on the above new items was placed before the District Board at their meeting held on the 16th May 1919. It was resolved that the levy of the fees at the under-mentioned rates be recommended to Government. It is reported that about 500/ cattle, 200 goats, and 600 sheep are brought every week to the shandy and that an annual income of about Rs600/ may be expected from this source.

2. In enclosing an extract from the proceedings of the Distric Board, I have the honour to request that sanction of Government may be obtained to the Board's resolution,
